Songwriters Course

Where as a performance is musical expression at a fleeting moment

in time, songwriting has the advantage of capturing a musician's thoughts and ideas for all time.

FOR aspiring songwriters and seasoned musicians.

AIMS to provide participants with tools and skills that will enable them to write a song from scratch. Each participant has the opportunity to record their original songs and collaborate in the songwriting experience resulting in the professional production of a CD.

TUTOR Martin van Veluwen has over 20 years industry experience in songwriting and arrangement. He is also a professional singer/songwriter/performer and resident sound engineer at Coffs Harbour Regional Conservatorium.
