

STUDENT ROCK BANDS

Damion Towner is starting two Student Rock Bands in 2011. Damion has over two decades of experience in the live music scene. This is a great opportunity for those who would like to play in a band, tutored by a professional musician.

Intermediate skill level only required, ie the ability play/sing a song the whole way through, follow the chord changes, or hold a basic beat on the drums. A keen attitude is far more important than outstanding ability on your instrument.

We will be looking for performance opportunities once a band is ready. Some ideas for this are Battle of the Bands, the Conservatorium's end of year concert, and playing support for Damion's band at his gigs.
